**NEW INTERVIEW**

This week **Rob** and I were invited onto **The Bond Experience's** YouTube channel to discuss the world of **James Bond** and **podcasting**. A HUGE thanks to **David** for the opportunity.

And well done to those that noticed the cameo **at 8mins** my dog **Honey Ryder** getting frisky with **Mischka** the Cat. We tried to keep the interview PG-Rated but sometimes, sometimes, are just out of our control.

There is **no podcast** this week, but you can catch the new video I posted to **YouTube**. A full tour of the **Private Bond Collection** in **Admiral Hotel, Milan**.
